SKILLS

- **Project Management:** Agile, Scrum, **Sprint Planning**, **Risk & Change Management**, **Stakeholder Communication**, **Cross-Functional Team Leadership**, Requirement Gathering, **Documentation & Reporting**
- **Technical Experience:** JavaScript, **TypeScript**, **Python**, **MERN Stack** (MongoDB, Express.js, React.js, Node.js, Next.js), **React Native**, State Management (Redux), Authentication (NextAuth, Clerk), REST APIs, Databases (SQL, NoSQL, Redis), WebSockets (Socket.io), **Cloud & DevOps** (AWS, Vercel, Serverless Functions, **Docker**, **Git & GitHub**), **Data Structures & Algorithms (DSA)**, OOP
- **Emerging Technologies:** **AI Agents** (LangChain, **LangGraph**, **Multi-Agent Systems**, LLMs, Vector Databases), Prompt Engineering, NLP (Basics)
- **Tools:** Jira, Trello, Notion, Figma, **Postman**, Slack

WORK EXPERIENCE

Manal Apparels Pvt. Ltd , Chief Technology Officer

December 2023 - Present

- **Managed development and delivery** of multiple **e-commerce platforms** for company sub-brands, **aligning business goals with technical execution**.
- **Directed a cross-functional team** to build a **React Native** mobile app, ensuring **on-time delivery** through **Agile practices (Scrum, sprint planning)**.
- Led creation of a **multi-agent AI system** for digital marketing analytics, providing **stakeholders** with **actionable insights** for campaign optimization.
- Acted as a **key liaison between stakeholders and engineering teams**, converting **business requirements** into **technical roadmaps**.

Fusion Web Dynamics , Full Stack Developer

January 2023 - November 2023

- **Directed** the **end-to-end** development of a **MERN + Next.js** e-commerce platform, driving a **25% increase** in user retention and **15% boost** in conversions.
- **Managed cross-functional teams**, ensuring **timely delivery** and strong **alignment with client goals** and **business outcomes**.
- Implemented **secure, role-based authorization** (Zod + JWT), **strengthening platform security** and user trust.
- **Collaborated** with **designers** to deliver responsive, **user-centric** interfaces, enhancing overall customer experience.
- **Transitioned into a project management role**, overseeing **team execution**, **client communication**, and **delivery of key milestones**.

Abres Store, Co-Founder & Full-Stack Developer | [@AbresStore](#)

March 2022 - December 2022

- **Drove brand growth** by scaling **D2C & B2B** operations, achieving **₹1.2 Cr revenue** in **2023** and nearly **₹2 Cr** in **2024**, balancing **online and offline sales channels**.
- **Directed platform development** on **Next.js** and **AWS**, managing timelines, **stakeholder expectations**, and ensuring scalable, **high-availability infrastructure**.
- **Led cross-functional** initiatives including **white-label manufacturing** projects, **increasing profit** margins and **strengthening B2B partnerships**.
- **Oversaw product strategy & marketing campaigns**, coordinating with design, catalog, and influencer teams to improve **brand visibility and engagement**.

New Sky Foundation (NGO) , Full Stack Developer

June 2019 - Feb 2022

- **Led end-to-end development projects** for **NGO web platforms**, managing timelines, **coordinating** with **stakeholders**, and ensuring alignment with organizational goals.
- **Collaborated across teams** to **optimize backend APIs** (35% faster response time) and implement **SEO strategies** that boosted **site traffic by 50%**.
- **Directed UI/UX improvements**, **working with designers** to deliver responsive, **user-friendly interfaces** that **increased engagement by 40%**.
- Oversaw **deployment & scalability**, ensuring **99.9% uptime** on AWS and **smooth platform performance** for large user bases.

ACHIEVEMENTS & CERTIFICATIONS

- **Project Management (NPTEL, IIT)** – Agile, sprint planning, **stakeholder communication**, and **execution**.
- **Agentic AI** (LangGraph & LangChain, 2025) – **Multi-agent systems**, orchestration & cloud deployment.
- **Published Research (IJARSCT, 2024)** – Quantum Computing and **AI's impact on IT** and future workforce trends.
- **AWS Cloud** (Learntube.ai) – **MERN, Next.js, AWS**, scaling & cost optimization.
- **Full Stack Development** (100xDevs, 2024) – **MERN, Next.js, and AWS** application development.
- **Top 1K LeetCode (0.1%)** – **2200+ DSA** problems solved, strong analytical skills.

EDUCATION

MCA LATE BHUSAHEB HIRAY S.S. Trust's Institute of Computer Application

(2022 - 2024)

BSc IT Mahendra Pratap Sharada Prasad Singh College

(2019 - 2022)
